

Property Committee Highlights

There were a couple of large projects that were performed. The carpet in White Wing and the link was replaced and the White Wing Roof was redone.

Two major landscaping projects were attempted this year. The first was the White Wing playground was resodded. The second was Bryce Stack's Eagle Project to enhance the Grove Street site.

Smaller projects included: the usual amount of exterior painting, working on making Room 6 a library/resource room, having the outside doors rekeyed because the locks were wearing out., replacing the water heater in White Wing when it started to leak, modifying the drain between the parish house and the sanctuary was to keep it from clogging, and starting to work on a plan for the landscaping.
