

Nashua Cemetery Association Annual Report - 2020

Trustees:

Mary Beth Restivo (Chair), Kevin Murray (Treasurer), John McCannon (Secretary), Moe Daniels, Sharon Machado

Trustees contracted with a local arborist to assess the health of the many trees within the grounds. Technical Tree Service of Hudson, NH toured the grounds and determined the trees are in very good health overall. They pruned some dead branches from 3 large white oaks and 3 Norway maples on the Whitney Street side.

Trustees continue to contract with Veterans Mowing for regular maintenance of the grounds.

A successful fall cleanup was held in November.

Flags were placed on veterans' graves in November. Given the COVID-19 pandemic a smaller group will be doing the same for Memorial Day.

Trustees have received several inquiries from people doing historical research on many of the families buried within the cemetery.

A Treasurer's Report is also attached.

Respectfully submitted,

Mary Beth Restivo, Chair
Nashua Cemetery Association
