

**NASHUA CEMETERY ASSOCIATION**  
**ANNUAL REPORT**  
**May 1, 2022 - April 30, 2023**

No cremated ashes were interred or scattered this past year.  
No sales were made for such services during the past year.

The only source of income for the cemetery was its share of the church's invested funds: \$9,083.92.

Our expenses totaled \$13,601.50.

Our operating deficit was \$4,517.58, leaving the cemetery a cash balance of \$6,196.38.

During this past winter heavy snow and winds caused a large tree branch to fall damaging several stone markers. While these stone markers are not cemetery property (they are owned by the families who purchased the lots), and because we are not certain who is the current owner of the lot, the cemetery will repair the damage in the coming year.

Respectively submitted
