**Ends Statements**

We create brave space for all ages where we:

- Know our authentic Unitarian Universalist faith identity, teach it to our children, share it with others, and live it in the world.
- Develop meaningful spiritual practices that connect us to wonder.
- Ask for and receive care, support, and connection in times of struggle, joy, and transition.
- Grow leaders who serve the needs of our congregation and our community with faith, resilience, and courage.
- Steward our congregational community with our time, talent, and money.
- Participate actively in our larger Unitarian Universalist community.
- Understand systems of oppression and privilege and work to dismantle them within ourselves, our congregation, and the larger world.
- Work in deep partnership to advance justice and heal our community and the world.

### **Evolving Covenant of Right Relationships**

Our church is a unique community where we aspire to personal and spiritual growth, and to learning new ways of being in relation to one another. Mindful of your inherent worth and dignity, I do covenant to: bring my best self to this place; listen intently; speak honestly and thoughtfully; trust in your good intentions and recognize that my actions and words have an impact regardless of my intentions; and when I fall out of covenant, I will ask for help and be open to loving guidance to restore my relationship with you.
